 - SouthCoast Wind called & said they would like to be the Title Sponsor again (they have been MIA for quite a while). There have been organizational changes at the company. The CEO loves our event and would like to be a part of it. SC Wind states the funds will be in our account by end of June? Contract needs to be signed. A very pleasant surprise.
 - Registration is up to 47 states. Registration this year is higher than in past at this time of year. Work is in progress on the post-race “Xtra” mile event. Dori – 2 food trucks (The Ktchn and The Filling Station), 1 coffee truck (Shine) & an ice cream truck (Sea Scoops) will be at the event. The food/coffee truck will park in the lot at Mullen Hall and the ice cream truck will park on the road at the playground. A small bus from Riverview School will bring relay teams and they will park in school lot. More port a johns will be brought in for 2024. The lot will be controlled at entrance. So far, we have been unsuccessful finding balloon animal maker and face painter. Maybe reach out to high school re: face painting. Corn hole games from FRR and Bad Marthas brewery will be on hand. Doris is reaching out to local business re: discounts (to be put in a digital package available to all registered runners). Also, a digital handbook is in works. Kathy to follow up with Baystate PT re: post-race massage. Props have been purchased for the selfie station. PR Bell is at the office. Jack - We will need to get new heat sheets with SC & CCM logos. Some volunteer hoodies have already been made without SC logo. Medals are almost finalized. Race shirts are almost finalized.
