The 750 Volunteer Hoodies were delivered to the FRC Office on Saturday, May 31.

Most of the Volunteer Team leaders have responded to me that they will return this year. I have started receiving “Request for Donation” forms. The Volunteer Local platform is open, and volunteers are starting to register.

Waiting for samples of all 2025 medals before we place our order.

We are working with USA Racing to source heat sheets. We should be able to order these by the end of June.

Over the next few weeks, Kathy and I will be conducting a physical inventory of all supplies that we need for CCM Weekend. We will place supply orders as needed.

The Falmouth Select Board has approved 10 CCM Pole Banners along Main Street instead of the 30 Pole banners that we requested, similar to past years. The reasoning is that the DPW does not have the manpower to put up and take down the many Pole Banners that other organizations are now requesting. I went to the Select Board Meeting on Tuesday, June 3 to argue our case. They will not allow us to hang our own banners due to the liability to the town. I am working with the DPW to find a licensed, insured contractor for this. If we can find a qualified contractor by June 30, the Select Board may increase the number of Pole Banners we can put up on Main Street. I will be attending the Select Board meeting on that date. Stay tuned...

WRCC5k donations

Asking for a donation to VIPS/Falmouth & Breakthrough T1D \$2500 or \$3,000 each – BOD to vote. Budget was passed among board members. Mary originally budgeted \$2000 for each. WRCC5k made quite a bit of money in 2025. BOD voted \$3000 for each charity. All in favor.

FRR Bibs

FRC was awarded 8 entries to FRR – so far 3 have been used. Mary would like to offer one to her cousin. – FRC will give Mary cousin a bib.

CCTR

Chris would like to move the 2026 race to 1st weekend in May. The usual date in April conflicts with a large trail race in Boston and Boston Marathon weekend. Chris will investigate the dates to see if they work.

SYP

Registration is open – starts July 8th

Ken Gartner

Would like funding for kids to go to Nationals Trip. (per Chris L.) – Steve will get more info from Ken. Ken would like \$1000. BOD to give \$1000. Ken to send paperwork and we will reimburse him.

SDM

Made \$59. Profit! Weather was great – good race day.

Bill Steffancin

Rec department head, Julie, runs a children's running program. She will be doing mini track meets (Launch Program) over the summer - would like to ask Club for volunteers. Bill to get info so email can go out.
